

DEAN – FACULTY OF HEALTH SCIENCES

Douglas College is one of the largest public colleges in the Province of British Columbia with two campuses in the Greater Vancouver area. The College offers a diverse range of programs to a vibrant community of over 15,000 Canadian and International students annually. Full-time and part-time students enroll in degree, University Transfer, career and other programs.

The Faculty of Health Sciences, with 180 employees, offers two accredited degrees - a Bachelor of Science in Nursing and a Bachelor of Science in Psychiatric Nursing, as well as offering other career programs and active continuing education initiatives. In 2008, Douglas College opened a state-of-the-art Health Science facility with capacity for 1,500 full-time students. The Faculty produces graduates who become leaders in clinical practice, research, education and administration. For more information about the College please visit www.douglas.bc.ca.

Douglas College is seeking an innovative and visionary leader to take a visible and active role in the on-going development of the Faculty of Health Sciences. He/she will foster a climate encouraging excellence in teaching and scholarly activity, and inspire outstanding faculty members in the delivery of an exceptional educational experience.

The successful health care professional candidate will have a strong record of achievement in health care practice, teaching, research and administration. Moreover, he/she will have academic credibility (doctoral degree preferred, masters required), a broad understanding of the Canadian health care system and excellent interpersonal and communication skills.

We wish to thank all applicants for their interest. Only those applicants selected for further consideration will be contacted.

The committee will begin a review of the applications on January 4, 2010; however, the competition will remain open until an offer is made.
